There is something to be said for the rule in force i.e. that Schps shd be given only to those who join the College as freshmen ~~of~~ The reasons are that each year passed men get a fair chance and the Schps can be fairly adjusted

12. I think that Batne Bhima ~~Gopal~~ Rau (last year's Candidate) who passed the B A Exn in the 1st class may get one of the Schps The 2nd shd go to Ramanujam (no 2 — 1st cl Mathematics) or ~~Rama~~ S Rama Sarma (no 4 2nd cl Math), i e to the 2nd of the 1st has not got admn to College

14 I am of opinion that some of these Schps require the number to be increased. Pending the decision of that question, I would recommend the grant of a special Schp of 20 Rs to Kr Janardan (No 15), to place it on a lower level to Schps award to graduates.

(1) Krishnaswami Iyengar

(2) Batni Bhima Rao

(3) Rangaswami

Paper under Ins. Head'

2 The Inspector General of Education recommended among others the grant of a scholarship to one Janardan belonging to a backward community As the candidate is not a graduate one of the ordinary scholarships could not be sanctioned to him The First Councillor therefore suggested that he might be given a special scholarship of Rs 20 per mensem in addition to the three scholarships to be sanctioned to the candidates mentioned in para 1 The Second Councillor and myself agreed

Pages 9 & 10 of Notes

3 The Financial Secretary however objects to the grant of this scholarship unless it is to be absorbed into the sanctioned scale next year or earlier if an opportunity presents itself

Pages 10 & 11

4 I agree with the First Councillor that the number of ordinary scholarships is too small as it is and that it cannot be further lessened by diverting one of them to this special case
